

COMMERCIAL SUNROOM PRODUCTS

A Division Of Patio Enclosures, Inc.

VAMC
Atlanta, GA

Copyright 2006 Patio Enclosures, Inc. 08/06

The canteen dining expansion project specified four curved eave solariums with high performance glazing and a roof solar shading system.

The Veterans Administration selected C.S.P., The Commercial Division of Patio Enclosures, Inc., due to their long history of providing successful projects to government facilities nationwide.

C.S.P. provided all engineering, manufacturing and installation for the 10' x 24' solarium structures, which sit atop the second story terrace. Providing turnkey services for the solariums, C.S.P. completed the scope of work within 90 days from the notice to proceed.

Specifically engineered to meet exacting specifications and finish requirements, the flexibility of design and engineering makes C.S.P. the only choice for your next challenging project.

C.S.P.

The Recognized Leader In Glazed Structures

The building features are:

- 1" insulated bronze Low E glass
- Laminated roof glass for safety
- Commercial doors with panic hardware
- Installation by C.S.P. employees

The Commercial Division

of Patio Enclosures, Inc. will solve your space needs. Contact us for more information.
